

Introducing The

# SONUS **BASS**

## The Contemporary Classic

Sonus means full, rich sound. The Sonus bass was created by Joe Zon for the player seeking an instrument with the sound and feel reminiscent of a classic Jazz Bass.\* With its ash body, single coil pickups and "jazz" taper neck, the Sonus achieves a perfect balance of classic features while offering the same superior quality and performance found in all Zon instruments. Visit your dealer and play a Sonus...the new definition of sound.
