

SONUS[®]

RT5 & RT5 Deluxe

*I*nspired by and designed in collaboration with Robert Trujillo of Metallica, the Sonus RT5 and RT5 deluxe embodies the sound for today's metal bassist.

With a perfect balance of rich, punchy lows, gritty mids and an edgy top end, the Sonus RT and RT5 Deluxe cuts through the thick wall of sound, filling the stage with a gut-rattling bottom and a clear, detailed presence.
