

UltraSonic™

Bass Strings

UltraSonic bass strings are wound from premium-grade, specially selected alloy materials. Our unique formula creates an exceptionally responsive string with optimum sustain, superior brilliance and extended life. A special core-to-winding ratio ensures each set of UltraSonic strings is tensioned for greater flexibility and outstanding balance of tone and feel.

- Long Scale
- Roundwound
- Stainless & Nickel
- For 34" & 35" scale

Specifications

UltraSonic™

Bass Strings

Stainless

Contemporary in sound, UltraSonic™ stainless strings deliver a bright tone and an open sound with superior presence and detail. The rich harmonic structure of these strings articulates every nuance of the bass' tonality. Sets available for 4-,5-, and 6-string basses. **Fits 35" scale.**

5/6-string	C					B
4-string		G	D	A	E	
Regular:	.028	.045	.065	.085	.105	.128
Medium	.028	.046	.063	.080	.102	.128
Medium light	.026	.038	.050	.080	.102	.128
Custom light	.026	.040	.060	.080	.100	.125
Light	.026	.038	.050	.074	.095	.125

Nickel

UltraSonic nickel strings deliver a traditional sound that is warmer in tone. The nickels provide a natural sound with good harmonic structure for a smooth, round top and exceptional low-end growl. These characteristics are especially well-suited for fretless bass. Sets available for 4-,5-, and 6-string basses.

Fits 35" scale.

5/6-string	C					B
4-string		G	D	A	E	
Regular:	.030	.045	.065	.085	.105	.130
Medium	.030	.045	.065	.085	.105	.125
